

UConn 4-H UPCYCLE CHALLENGE

TAKE THE CHALLENGE

1

Upcycling is the process of taking a used item and repurposing it to fill a new and often better function. Take a household item of your choice and turn it into something with a different use or purpose. Use your imagination.

2

Take 2 photos - the first being the original item and the second being your upcycled creation. Explain a bit about your creation and it's new function.

3

Upload your photos and explanation to our Instagram tag @uconn4h or on the UConn 4-H Facebook page by Friday, April 17th. Be sure to attach [#uconn4hupcyclechallenge](https://www.instagram.com/explore/tags/uconn4hupcyclechallenge/).

WIN

All participants will receive a printable certificate and be entered to win a UConn 4-H prize pack.
1 entry per 4-H member.

This contest is open to all UConn 4-H members ages 5-19 years old.

For questions or additional contest information email: marc.cournoyer@uconn.edu
